Chairmans note

Its very disappointing that out of all our club members, there has not been even one volunteer to take on any of the three open roles. The club will only thrive when members are willing to take on roles to make club evenings and events happen. Rant over.

We have rebooked our postponed speaker Glyn Dewis who will now be wowing us with his talk on "The power of personal projects" on the 12th of December, more on this nearer the date

Then still about postponed events, we have rescheduled the PDI to the 13th of March and again more nearer the date.

We have now had two of the three planned roll-up evening (plus the extra one!) and can report that due to their success, we have added in another three evening in 2023. Well done Ian and the team for making these the success they have been. Any volunteers to speak on a subject or present some aspects of photography are welcome to send Ian or myself an email and we will find a slot for you.

In line with the above, the programme has been updated on the website for you to view and download.

Next meeting 7th November 2022

Call for volunteers

To successfully run the club, we still need volunteers for the following roles:

AV Operator

The role involves setting up the microphones and projector at the beginning of talks and competitions at the hall. Then putting everything away at the end of the meeting.

On competition nights the club laptop will also need to be setup, operating our Dicentra software on competition nights would be optional.

Full training will be given in the role will be provided

Social secretary

The role involves amongst other things, organising any of our external club events, like the summer BBQ and the Chairmans evening, plus others.

Refreshments organiser

The role involves holding the refreshments box and bringing it along to club meetings, replenishing the tea/coffee/biscuits and milk.

If you are interested in volunteering for any of these roles, please contact Geoff by email at: chairman@ludshottpc.org.uk

Chairmans evening

On the 5th of December we will be having our Chairmans evening and for something a bit different we are going to “The Jolly Farmer” at Blacknest, where we have booked the skittles alley for the evening.

A separate email will be sent out with the full details of the evening and the menu for the evening.

We will be looking to get an idea of numbers and your food choice so that we can finalise numbers and advise the venue.

Keith Hunt AV results

Tuesday the 25th of October saw the Keith Hunt Audio Visual competition held by Woking camera club online and here are the results:

	Title	By	Club
First	What's on the Menu?	Mike Tibbotts	Woking
Second	Al Mezquita	Grant Dawkins	Ludshott
Third	Winkworth	Kathleen Bird	Ludshott

Highly Commended -

A Celebration of Steam David Ryland ARPS (Godalming)
 Chilworth Gunpowder Works Jean Hoyle (W&C)
 Orbs and Twirls David Ryland ARPS (Godalming)

Well done to Grant and Kathleen on gaining the club a well deserved second and third in this event.

What did Kathleen learn from the evening?

Good Audio-Visual technique makes for smooth running and easy watching, but emotion and originality are at least as important. Good quality photography always counts. I think the judge chose the wildlife one for the emotional wildlife photos, and he obviously likes video!
